A BILL FOR AN ACT to amend the Indiana Code concerning taxation.

Be it enacted by the General Assembly of the State of Indiana:

1 SECTION 1. IC 6-3.1-20 IS ADDED TO THE INDIANA CODE
2 AS A **NEW** CHAPTER TO READ AS FOLLOWS [EFFECTIVE
3 JANUARY 1, 2000]:

4 **Chapter 20. Employer Child Care Investment Credits**

5 **Sec. 1.** As used in this chapter, "child care program" means a
6 program that:

7 (1) provides care and supervision for children, at least fifty
8 percent (50%) of whom must be children of employees during
9 the time that the employees are working for their employer,
10 as determined by the average daily attendance records for the
11 program during the taxable year;

12 (2) is operated:

13 (A) by one (1) or more employers; or

14 (B) by an entity other than the employer under a written
15 contract with the employer; and

16 (3) is licensed by the division of family and children under
17 IC 12-17.2.

1 Sec. 2. As used in this chapter, "child care program capital
2 expenditure" means the total expenditures chargeable to a capital
3 account made by a taxpayer during a taxable year to plan, acquire,
4 construct, reconstruct, renovate, or rehabilitate depreciable
5 property located in Indiana that an employer uses in its child care
6 program or in a child care program established jointly with one (1)
7 or more other employers.

8 Sec. 3. As used in this chapter, "pass through entity" means the
9 following:

- 10 (1) A corporation that is exempt from the adjusted gross
- 11 income tax under IC 6-3-2-2.8(2).
- 12 (2) A partnership.
- 13 (3) A limited liability company.
- 14 (4) A limited liability partnership.

15 Sec. 4. As used in this chapter, "state tax liability" means a
16 taxpayer's total tax liability that is incurred under:

- 17 (1) IC 6-2.1 (the gross income tax);
- 18 (2) IC 6-3-1 through IC 6-3-7 (the adjusted gross income tax);
- 19 (3) IC 6-3-8 (the supplemental net income tax);
- 20 (4) IC 6-5.5 (the financial institutions tax); and
- 21 (5) IC 27-1-18-2 (the insurance premiums tax);

22 as computed after the application of the credits that under
23 IC 6-3.1-1-2 are to be applied before the credit provided by this
24 chapter.

25 Sec. 5. Except as provided in section 6 of this chapter, a
26 taxpayer that makes child care program capital expenditures
27 during a taxable year is entitled to a credit against its state tax
28 liability for the taxable year in an amount equal to the sum of:

- 29 (1) the lesser of:
 - 30 (A) twenty thousand dollars (\$20,000) multiplied by the
 - 31 taxpayer's share of child care program capital
 - 32 expenditures if more than one (1) taxpayer shares in the
 - 33 expenditures; or
 - 34 (B) forty percent (40%) of the child care program capital
 - 35 expenditures of the taxpayer that are made during the
 - 36 taxable year; plus
- 37 (2) any amount the taxpayer is entitled to carry over to the
- 38 taxable year under section 6 of this chapter.

39 Sec. 6. (a) An employer's credit for a taxable year may not
40 exceed its state tax liability for that taxable year.

41 (b) If the amount determined under section 5 of this chapter for
42 an employer for a taxable year exceeds the employer's state tax

liability for that taxable year, the employer may carry the excess over to the immediately following taxable year. The amount of the credit carryover from a taxable year shall be reduced to the extent that the carryover is used as a credit during the immediately preceding taxable year. In addition, the credit may be carried over for only the three (3) taxable years that immediately follow the taxable year during which the child care program capital expenditures are made.

Sec. 7. (a) If a pass through entity does not have state tax liability against which the credit granted by this chapter may be applied, a shareholder or partner of the pass through entity is entitled to a credit equal to:

(1) the credit determined for the pass through entity for the taxable year; multiplied by

(2) the percentage of the pass through entity's distributive income to which the shareholder or partner is entitled.

(b) The credit provided under subsection (a) is in addition to a credit to which a shareholder or partner of a pass through entity is otherwise entitled under this chapter. However, a pass through entity and a shareholder or partner of the pass through entity may not claim a credit under this chapter for the same capital expenditure.

Sec. 8. To receive the tax credit provided under this chapter, an employer must claim the credit on its annual state tax return in the manner prescribed by the department. The employer shall also submit a separate application for the credit, on forms approved by the department, that must show the employer's child care program capital expenditure for its child care program. The application may be submitted to the department at any time between the close of the employer's taxable year and the date on which the employer is required to file its annual state tax return for the taxable year.

Sec. 9. A credit to which an employer is entitled under this chapter shall be applied against the employer's state tax liability in the order listed in section 4 of this chapter.

SECTION 2. [EFFECTIVE JANUARY 1, 2000] IC 6-3.1-20, as added by this act, applies only to taxable years that begin after December 31, 1999.
